

## From the Rector:

### The Prayer of Thanksgiving from the *Nag Hammadi* collection

- 1 This is the prayer they said: We give thanks to you, every life and heart stretches toward you, O name untroubled, honored with the name of God, praised with the name of Father.
- 2 To everyone and everything comes the kindness of the Father, and love and desire.
- 3 And if there is a sweet and simple teaching, it gives us mind, word and knowledge: mind, that we may understand you; word, that we may interpret you; knowledge, that we may know you.
- 4 We rejoice and are enlightened by your knowledge. We rejoice that you have taught us about yourself.
- 5 We rejoice that in the body you have made us divine through your knowledge.
- 6 The thanksgiving of the human who reaches you is this alone: that we know you.
- 7 We have known you, O light of mind. O light of life, we have known you.
- 8 O womb of all that grows, we have known you.
- 9 O womb pregnant with the nature of the Father, we have known you.
- 10 O never-ending endurance of the Father who gives birth, we worship your goodness.
- 11 One wish we ask: we wish to be protected in knowledge.
- 12 One protection we desire: that we may not stumble in this life.
- 13 When they said these things in prayer, they welcomed one another, and they went to eat their holy food, which had no blood in it.

I have been reading a “new” book published in 2013 called A New New Testament (by Hal Taussig, published by Houghton Mifflin Harcourt). Yes, you read that correctly. This is an attempt to place the canonical books of our New Testament within the context of the hundreds (or thousands!) of books that circulated among the early churches of the first two centuries. It includes a number of important texts from the *Nag Hammadi* collection, which was discovered in 1945. Our New Testament texts were part of a rich dialogue of spiritual writings that flooded these early communities. The sheer volume of these texts is remarkable, and they offer many helpful insights into the ideas and practices of the early generations of Jesus’ followers. The prayer above is one taken from this collection (page 7), which I think is beautiful, rich in imagery, and potentially very

fruitful for contemporary disciples like you and me to “try out” in our own lives. It may not be canonical, but it is a prayer that was shared among many early churches. Try praying it yourself and see if it helps to give voice to your own relationship with God. Thanks be to God that we are part of a tradition that overflows with a super-abundance of resources available to help struggling souls like you and me who seek to live in close intimacy with God!

### Soup(er) Angels!!

Our team of stealthy “Soup Angels” has the joy of playing “secret santa” all year around! Once a week, they deliver home-made soup (cooked and frozen by other S. Marians) to a handful of parishioners, leaving a bagged container of frozen soup hanging on the doorknob...just to let the recipient know that S. Mary's is thinking of them! What a gift it is to spend a bit of time thinking and praying about that recipient as one makes these deliveries, imagining their smiles when they find this surprise delivery! If you would like to join this little band, just contact Deacon Christine (deacab@maine.rr.com) or Beth Shaw (admin@smary.org), 781-3366.

## Vestry Highlights for July

Vacation schedules caused the cancellation of the July Vestry meeting. The August vestry meeting date has changed from the usual third Wednesday because of the Wednesday Mass on the Grass. The Vestry will gather on Thursday, August 14 at 6pm in the Guild Room. As always, anyone is welcome to participate.

## Urban Promise Pilgrimage: August 3 - 9

Our team of Father Nathan, Carrie & Elizabeth McIntosh and Paul Engel, along with members of the Outreach and Saint Mary's community have been preparing for this trip to Camden, NJ and Philadelphia for a couple of months, EVERYONE can participate in making this Pilgrimage a success! Here's how:

1. **Pray for our Pilgrims** before, during, and after this adventure. Pray that we can discover the presence of Christ in new and deeper ways through our time with the children of Camden. 2. Between now and August 3, **bring school supplies** to fill up backpacks for students who need help preparing for the new school year. Some supplies will also be used in the classrooms at the Camden Forward School and the Urban Promise Academy. See the full list below!
3. **Join us on Sunday, August 3 at 9 AM**, as we send out our team on their week-long journey to Camden.

## Education for Ministry (EfM):

David Robinson and Jennifer Gregg enthusiastically invite fellow parishioners to participate in Education for Ministry in 2014! This program meets weekly from September to June and its seminar format encourages participants to question, study, examine and discuss their faith in a safe and supportive environment. David and Jennifer are entering their second and fourth years, respectively, in this program and would be delighted to share further details with anyone interested!

**Every baptized person is called to ministry.** The Education for Ministry (EfM) program provides people with an opportunity to discover how to respond to that call to Christian service and gives them confidence to participate in the Church's ministry. Many people think that one must be ordained in order to be "a minister," but the fact is that all baptized Christians are called to be active participants in continuing the ministry of Jesus Christ in all parts of the world.

New classes begin each September. The cost is \$350.00 per year, but scholarship help at the parish and diocesan levels can reduce the cost to very little. The entire EfM program of theological education lasts 4 years, but participants commit to only one year at a time. The program takes place in small groups facilitated by a trained mentor. There is an EfM group in the Portland area which anyone in the region is welcome to join.

**For more information:** Visit the Education for Ministry website (<http://www.sewanee.edu/EFM/index.htm>) or contact our diocesan coordinator, the Rev. Rosalee Glass at [rosalee.glass@myfairpoint.net](mailto:rosalee.glass@myfairpoint.net).

# Christian Formation - RAY Beams

The “dog days of summer” might be here, but your Guiding RAY team is already gearing up for Welcome Home Sunday on September 7<sup>th</sup> when we will welcome all of our children back to church for the new year!

During the last month, we consulted our families and were pleased to learn that the Sunday Godly Play curriculum is resonating favorably among parents and children and, in some cases, is facilitating discussion of the Bible at home during the rest of the week. The children particularly enjoyed the “Work Time” that is part of every Godly Play session. During this time the children are free to choose any activity they wish from the classroom. This includes art shelves stocked with drawing, painting and clay materials. A big hit with the older boys has been the wood working area and our younger children have enjoyed retelling Old Testament stories in our “Desert Box,” painting and constructing fantastic structures with blocks.

In order to keep our Guiding RAY program fresh for our children, we will be expanding our program this coming year, offering music and other opportunities to “listen to God” in different ways on one Sunday each month.

Our parents were also quite clear about their desire to modify the Guiding RAY Sunday schedule, so beginning on September 7, **our start time will be fifteen minutes later**, with Family Chapel with Father Nathan beginning at 9:30 and Guiding RAY classes gathering at 9:45.

Finally, our families have expressed the desire to participate, as families, in community service projects. The Guiding RAY team will be working with Father Nathan and the Outreach Committee to offer such opportunities throughout the coming year.

We are very appreciative to all the families for their candor, their comments and suggestions, all of which help us to ensure that the Guiding RAY program is relevant and responsive to the needs of our children. We can't wait to see you all in the fall!!

### **OUTREACH: Continuing summer vacation, Focus on the rest of 2014, and Food for Thought**

Believing that you had the opportunity to read the Outreach notes included in the July AVE, you likely recall the Outreach Committee is on its annual summer hiatus with no scheduled committee meetings until September. As with much of "church business", this does not mean that there is a lack of events taking place and plans being made for the rest of 2014.

From July 11<sup>th</sup> to the 13<sup>th</sup>, we welcomed a group of more than 30 riders and leaders from the **Coastal Drift group of Bike and Build** to our campus. They stayed with us overnight in the Parish house on Friday and Saturday prior to leaving early Sunday morning to continue their journey from Bar Harbor to New York City to increase awareness of the need for affordable housing and to help build such housing along the way. While they were here, they joined in at Souper Supper on Friday, worked at the Habitat site in Freeport on Saturday, conducted a bike safety clinic Saturday evening and then joined us again for a lasagna supper on Saturday where they gave an effective and information presentation about the mission of Bike and Build and their journey. They were wonderful guests, and we look forward to hosting them again next year.

**Urban Promise Pilgrimage from August 3-9 in Camden, New Jersey.** Plans are continuing for a group from S. Mary's (Father Nathan, Carrie McIntosh, Elizabeth McIntosh and Paul Engel) to travel to Camden to help Urban Promise make a real difference in the lives of children in that area. There is great opportunity for those not traveling to help support this effort by offering school supplies for the team of pilgrims to bring with them. Please see additional information regarding this in this AVE and church bulletins prior to the group leaving on August 3<sup>rd</sup>.

**Mindful Movement and Breath Series.** This series of morning sessions will begin again on September 15<sup>th</sup>. In addition, we are also looking at offering an early evening week-day session. More information regarding this will be forthcoming as details are finalized.

**St. Philips Church Mission Trip**--plans are continuing to be made for a group of us to travel to St. Philip's in Wiscasset and help them in whatever ways they may need. At this time, the date for this is Saturday, September 13<sup>th</sup>. As details regarding this hands-on mission trip are worked out, there will be more information coming your way.

**Scarves ministry**--Plans are continuing for us to cut and sew scarves for free distribution in our communities later this year. The date for making the scarves has been set for Friday, September 19<sup>th</sup>, at 5:00 in the Parish house. We are planning on offering dinner for those coming to help, and we welcome all who can come to cut, sew or assist in other ways to make these scarves. More information and sign-up sheets to come.

As you can see, even a hiatus does not stop the Outreach Committee from moving forward. In addition to those events and opportunities mentioned above, there are other on-going opportunities to serve. Please see the Outreach bulletin board in the Parish house for more information.

**bikeandbuild.org**

## *Saint Mary's reaches out - Near and Far*

Now, **food for thought.** As we all know, S. Mary's is known for its love of food and somehow food always finds its way into nearly all the events we hold. Unfortunately, the next few words cannot offer edible food but will provide a little food for thought. During the remainder of this year, the Outreach Committee will be having some conversations about who we are as a committee, explore the evolving nature of our Outreach efforts, and continue to identify and support ways to meet our mission of service to those in need while encouraging the involvement of as many as possible in our community through these varied offerings to serve. As we embark on and continue these conversations, we would be remiss not to involve all of you and ask for your thoughts and input. So, as we prepare to "tee off" these conversations, we ask that you just think about Outreach and what it means to you. **In a perfect world, what would Outreach look like, what would make it exciting and alive for you, and what would make you want to jump in and get involved in the effort to serve others?** Right now we are just asking you to think about these questions. Let them "bounce around" in your thoughts. Let the seeds of these questions take root and see what they bring forth. We will circle back to you very soon to begin harvesting your thoughts, ideas and suggestions.

**One final food for thought:** These are, and continue to be, exciting times for S. Mary's and for the Outreach Committee. It is absolutely amazing to see the wealth of ideas that come our way to serve those in need and to then see those ideas become a reality that makes a real difference in people's lives. **We invite you to join us on this journey.** We know that we are only stronger, more vibrant, and more effective with each new person who joins us. **Our next Outreach Committee meeting is on Tuesday, September 9<sup>th</sup> beginning at 4:00 P.M.** We look forward to seeing you then.

In the meantime, we hope that all of you enjoy the summer days ahead, and we look forward to seeing you "on campus."

All the best,

Harold Otte, Outreach chair

## Summer is here! - time to think and prepare for the Sparkles fair!!!

Only four months until the beginning of Advent and Saint Mary's Sparkles activities! The Sparkles Boutique and Fair are on Saturday, December 6th, and there are many things to accomplish before then. The following dates are important, so mark them on your calendar!

**September 7th** is the Church Welcome Home Picnic, and there will be a table with information about Sparkles---so if you are new to Saint Mary's, please stop at the table and get a brochure and ask any questions you might have.

**September 11th** is the first organization meeting for Sparkles. It will be at 6:30pm in the Guild Room---if you have not helped before but are interested in joining this fun group, please come to the meeting. We need lots of helpers to make all the Sparkles events the festive and wonderful time that we have come to know and love. Oh--yes-- it is a fundraising event as well.

**October 11th** will be the first drop-off date for the boutique. This is an excellent time to do your Fall house-cleaning and donate any beautiful and gently used treasures or household items that are taking up space!! Donations are accepted between 9am and 12noon in the Parish House. If you are not sure we might want it--bring it on down; we sort through all items and anything not destined for Sparkles is given to St. Elizabeth's. If you are a knitter, a quilter or a seamstress, your "stash" is always wanted by someone, so this is a good time to sort and simplify. A tax donation slip can be provided. PLEASE NOTE: We do NOT take clothing or books.

No cookbooks this year but we will be asking for donations for beans to make S. Mary's Friendship Soup and also cookie ingredients. Watch for further information.

## Mass on the Grass

Our midweek summer evening service is now truly mid-week - on Wednesday evenings! Still outdoors, still casual, and still with the Holy Eucharist. It starts at **6:30pm** and last about 30 minutes. We'll meet on the labyrinth or the chapel if it's raining. Bring a lawn chair with you, that's terrific; if not, a blanket will work just as well.

Informal, inspirational, spiritual, and intimate.
