

From the Rector: Our Inner-City Mission Pilgrimage: Urban Promise in Camden, New Jersey

"Here we have no lasting city, but we are looking for the city that is to come. Through Jesus, then, let us continually offer a sacrifice of praise to God" (Hebrews 13:14-15).

On Sunday, August 3, an excited and energized team of "pilgrims" will be sent out from Saint Mary's on a week-long journey to explore the realities of life in contemporary American inner-cities. I say "pilgrims" because a pilgrimage is an intentional journey undertaken to draw near to God or to discover new spiritual insight. Our intention will be to spend a week with the children and youth of Camden, New Jersey – one of the most poverty-stricken urban areas in our nation which lies right in the shadow of center-city Philadelphia with all of its wealth and progress. How have urban areas like Camden become so troubled and depressed? What is life like for the millions of American children who must grow up in such conditions?

We will go there to see the face of God in the children of Camden and to gain new insight into God's calling upon our lives. Urban Promise (**UP** – see www.urbanpromiseusa.org) is an effective and exemplary ecumenical Christian effort to positively impact the lives of these young people through high-quality education and loving support. UP has been active in this ministry for over 25 years and has hosted thousands of Work Groups from all across North America. During our week as a Work Group, we will assist with the many UP summer day camps and help to facilitate their end-of-summer All-Camp Competition, while also learning from UP street leaders about life in the city. Of course, there will be some time for touring Philadelphia as well, with perhaps the chance to see a Phillies vs. Mets baseball game.

Who can be a pilgrim? Anyone and everyone! Entire families (with children 7th grade and older) can participate, as well as individuals, couples and teens.

What is the cost? Approximately \$450 per person, BUT there are funds available to help with these costs and there are reduced costs for families who wish to participate together. Please do not let financial concerns hold you back if you feel led to join as a pilgrim.

What is the schedule? We'll depart at 8 AM on Sunday, August 3 and return around 3 PM on Saturday, August 9 – just in time for the Lobster Bake & Auction!

How will we get there? We will drive and carpool to save costs. These details will be arranged as we draw closer to the trip.

Who is leading the trip? Fr. Nathan will lead the Pilgrimage and ensure its intentional, spiritual purpose. When we are in Camden, the UP leaders will be our guides and mentors.

What is the deadline for signing up? We need to know who is participating by July 1 so that we can organize our team and get all of our plans in place.

Are you ready for a life-altering, perspective-changing, unforgettable experience? THAT is what a pilgrimage is all about, and that is what we will find on our journey in August. I pray that

many of you will hear and respond to the call to be a pilgrim with me this summer.

Nathan W. Ferrell +

From the Deacon's Corner:

Happy Easter!

I hope you and those you love had a meaningful Holy Week and a wonderful celebration of Resurrection Sunday. Someone suggested that I should give you a report of my activities as your deacon. If you are not familiar with the role of the deacon in the Episcopal Church, I may seem a mysterious figure, showing up on Sunday morning to read the Gospel, set the table and dismiss the people. There is however, more to the deacon's role and purpose.

Deacons represent the servant ministry of Christ. We are called especially to minister to the poor, the sick and the lonely, not just in the church community but out in the world. We are also called to encourage others to find their particular ministry in the world. For the last several years my niche has been prison ministry. I have served at the Windham Correctional Center doing pastoral care and various programs with women inmates. My work with them has been a true blessing in my life, and, as strange as it may sound, I see Christ in many of them.

During this month of May I will be working with a small group doing a 'Moms' Group' with my friend and colleague, Archdeacon Mary Lee Wile. Most of the inmates are moms, and we will talk about their experiences with their own moms; how they can still be moms while incarcerated; how to be better moms when they are released; and help them as they grieve the loss of children to the system.

Also in May, I will return to the Women's pre-release center at the York County Jail to lead a group of inmates through a program called "Walking the Mourner's Path" which is an eight-week program for grieving the death of a loved one. "Walking the Mourner's Path" has played a huge role in my ministry, and I have used it at the Correctional Center and in the parish.

Deacons have their hearts and their hands in two places all the time. Each deacon is unique in their ministry focus in the world, and each deacon has various duties in the parish, depending on their gifts and skills and the needs of the parish. At S. Mary's, I lead a small study group on Thursday morning at 10:30AM, the Wisdom Seekers; I coordinate the work of the Pastoral Partners group; and I am a member of the Prayer Chain and the Healing Team. I am also an enthusiastic cheerleader for the Outreach Committee and their work.

I am a member of the Deacon Council of the Diocese which takes responsibility for the care and nurture of the deacon community, organizing educational events, our annual meeting with the bishop and advising on the Deacon Formation Program.

It is a joy and a blessing to serve as a deacon, and I am grateful to be with you at S. Mary's. If you would like to talk more about deacons or "Walking the Mourner's Path" I would love to talk to you.

Easter Blessings, Deacon Christine

Vestry Highlights for February meeting

by Hugh Smith, Senior Warden

April's meeting was busy with reports and recommendations from various parish committees. First up was Janet Bowne, chair of the Stewardship Committee. She reported that the annual campaign is making progress with 132 pledges to date totaling \$220,000. The committee is continuing to follow up with parishioners to reach our budgeted goal of \$260,000. Committee members will be making calls over the next month.

The Outreach Committee presented two proposals to the vestry. In line with our desire to "do" rather than just send a check, the committee asked for and received authorization to help fund expenses for parishioners interested in participating in an Urban Promise project in Camden, NJ in August. This project is a longstanding effort to help underprivileged children from urban settings. The Committee also outlined a free six-week experiment that will be a class structured around a universal meditation/intention, threading quiet movement and breath. While the class will be taught by a yoga instructor, the movements can be done from a chair or the floor, so the class is suitable for all ages and physical abilities. More details will be coming soon.

The newly constituted Budget and Finance Committee (B&F) has been hard at work on several fronts. One project has been drafting a gift acceptance

policy. While on the surface it may seem like a simple concept, gifts come in many forms and can have requirements and restrictions associated with them. The goal of the policy is to provide guidance to the gift acceptance committee when considering a gift. The vestry asked the B&F committee to clarify a couple of sub-sections and present a revised draft for our May meeting.

As was recently announced, Ruth White left a substantial gift to the parish. Her gift was divided into two parts. One portion of her gift is in the form of cash and this portion will be applied to the Legacy Campaign. The other larger portion is in the form of a trust, which can be transferred to the parish on approval from Ruth's executor and the Probate Court. The B&F committee has developed language requesting this transfer and formalizing our endowment documents and the vestry approved them. Part of the process will require a parish-wide meeting in the next month or so to consider and approve the transactions. We are very grateful that Ruth remembered Saint Mary's in her will and the steps she took to ensure her gift is used wisely. Ruth was a very special person and is missed by many.

Old & Damaged Bible Bury: Sunday, June 1

Gather any old, unusable, damaged Bibles that you no longer want and bring them to be buried! All sacred items are intended to be used. If they cannot continue in use, they are to be returned to the earth. This is what we will do around 11:30 am (after Coffee Hour) on June 1. Fr. Nathan and our parish children will guide us in burying our old Bibles in an inconspicuous part of our grounds.

Ascension Day Potluck and Eucharist: Thursday, May 29

Everyone is invited to gather for a Community Potluck Dinner at 6 pm, followed by our Ascension Day Eucharist at 7 pm. This marks the 40th day after the Resurrection, when the Lord left the apostles and returned to life in the spiritual realm – but now clothed with the full humanity of his incarnate life. We will remember and celebrate this together. Please come to just the Potluck or the Eucharist – or both, as your schedule allows.

August 3—9, Urban Promise, Camden, New Jersey

“For anyone who goes, prepare to fall in love with some of the most beautiful and lively children you've ever met who are forced to live in some of the most dreadful conditions imaginable.” Father Nathan Ferrell

This will be a wonderful opportunity for S. Marians of all ages to spend a week with, teach and learn from children at Urban Promise, a “summer camp” for neighborhood children of Camden, New Jersey that provides a safe, loving, fun and creative place for local youth to escape the dangerous city streets. Individuals and families are encouraged to participate, and the Outreach committee is authorized to subsidize the cost of the requisite donation to Urban Promise for your mission, as well as liability insurance. Missioners will live on the Rutgers campus, and will be responsible for travel costs, breakfast and lunch each day as well as three dinners and any tourism. In addition to working with day campers on various projects, there will be the opportunity to visit the Philadelphia Art Museum, Independence Hall and Christ's church...as well as take in a Phillies game (against the New York Mets...) We will have you back home at S. Mary's on Saturday, August 9 at 5pm.

We hope you will feel called to join Father Nathan for what will surely be a life-changing experience. Sign-up sheet is outside the Guild Room. Please also contact Harold Otte (haroldotte@aol.com) or Father Nathan with questions.

Mindful Movement and Breath Series” comes to S. Mary's in June

Offered to S. Marians and the Community at large at NO cost

Beginning on June 2, enjoy a 6 week class on Mondays (skip June 23) from 9-9:45 that seeks to connect the body, mind and spirit. The class will be led by Kathleen Savoy. *“A happy transplant to Maine from New York City, Kathleen comes from Sonic Yoga. Thanks to her teachers and training, Kathleen layers thought, breath, music, metaphor and mudra into the movement and to the sacred practice of yoga. She hopes to help create the space for each individual to take a journey in every class while moving as a collective and to find the deepening of their desired outcome through an empowering and balanced practice.*

Kathleen’s offerings are inspired by combining her education and her personal yoga practice, then blending them with life happenings. A Yoga Alliance Certified Vinyasa Flow instructor and teacher, Kathleen brings her knowledge of the physical body and her understanding of mind/body connection to every class.”

The Bishop is eager to share some of what he learned about the mission of the Church while on his recent sabbatical and to join us in our on-going discernment of the next phase of our parish mission.

First Holy Communion Retreat and Service

May 3-4 – It's not too late to take part!

This experience is open to all of our young people (including those who have already been receiving Communion), but it is designed primarily for those in 2nd and 3rd grades in school. On Saturday, there will be a Retreat in the Parish House with Father Nathan from 11 AM until 5 PM. The Retreat will include bread-making, candle-making, writing prayers, and a time for the children to experience Reconciliation, as well as time for lunch and some fun! At 5 PM, the entire families of our First Communicants are invited to join together for a potluck supper. At that time, we will discuss what we learned in the Retreat and go over all of the details for the next day.

On Sunday, May 4 at 10 AM, our First Communicants will be “the stars of the show” as they process into the church, help to lead us in our worship, and be the first ones on this day to receive Communion, using the bread that they made the previous day! FMI - Please contact Father Nathan ASAP to participate.

This Month at Guiding RAY

May 4 – No Godly Play this morning. Parents and their children are invited to attend the 10am service to participate in the First Holy Communion liturgy. (Nursery Care available as usual)

May 11 – Godly Play - Parable of the Leaven. In modern English, the term “leaven” has a positive connotation, but in ancient literature, except for Jesus' parable, the connotation was universally negative. It was a sign of moral corruption, because fermentation is a process of putrefaction in the mass of dough. Leaven was made by storing a piece of bread in a dark, damp place until mold formed. The children do not know about this ancient view of leavening, so the parable will define its own terms for them as it unfolds.

May 18 - Godly Play - Work Day In Godly Play, a child's play is his or her work, in which children are encouraged to do the “work” of discovering answers. Once a month, we offer a Godly Play session with an extended Work time. On these days, we begin with our circle and instead of hearing a story, we go directly into work time. This gives the children time to finish ongoing projects, explore materials more deeply, and have an opportunity to work with more stories.

May 25 – Godly Play - Parable of the Good Samaritan

Godly Play Training for anyone! June 27-29:

A spiritually-filled retreat for teachers, aspirants and those who wish to learn more about Godly Play

In Godly Play, we seek to offer a contemporary and child-accessible version of the ancient spiritual practice of holy reading, wondering and responding to the Bible's sacred stories. The children meditate in an artistic and kin esthetic way. Godly Play helps children know God and the Bible instead of knowing about God or about the Bible. Godly Play has also been proven to be very effective in prison ministry and ministering to those with Alzheimers.

From June 1-3, S. Mary's will host a Diocesan-sponsored retreat for Godly Play teachers—both active and aspiring! Professionally led, this training also serves as an intense spiritual retreat and a life-changing experience, feeding participants every bit as much as it feeds the children each Sunday. Thanks to the subsidies provided by the Diocese, individual tuition is \$50.00 (normally normally \$260 per person!) Please contact Father Nathan, Alece Herlihy (alece.herlihy@gmail.com) or any member of the Guiding RAY team for more information.

June 23 through 27 9am to Noon
Come and Royally Rock at S. Mary's
 Games, music, crafts, snacks, bible stories and more!

We invite everyone (all shapes, sizes and ages) to participate!

Stewardship Update

by Janet Bowne

"God's Power at Work Within Us"

"To him who by means of his power working in us is able to do so much more than we can ever ask for, or even think of: to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen. Ephesians 3: 20-21"

Thank you to all the families who have pledged their support for 2014. We know many who haven't pledged yet are donating regularly. If that's you, consider sharing your intention with us by completing a pledge form. This helps our leadership anticipate what might be coming and match it to our budget. You'll recall that our budget is very lean and supports the staff and programs enabling us to fulfill our mission. We are very close to meeting our pledge goal and can do it if we all join together! Gifts of all sizes are welcome and celebrated!! Contact the committee members with any questions about Stewardship or contact, Beth, in the Main Office, 781-3366.

Attached with or inserted into this AVE, you'll find a copy of our pledge form and our "frequently asked questions" to help you better understand the goal of the annual campaign.
